Application No. 10/080,023	:	DECISION GRANTING
Filed: 21 February, 2002	:	PETITION
Atty Docket No. 10541-1281	:	

This is a decision on the petition under 37 CFR 1.78(a)(3), filed on 8 March, 2004, to accept an unintentionally delayed claim under 35 U.S.C. § 120 for the benefit of prior-filed nonprovisional Application No. 09/298,444, filed on 23 April, 1999.

The petition is **GRANTED**.

A petition for acceptance of a claim for late priority under 37 CFR 1.78(a)(3) is only applicable to those applications filed on or after 29 November, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR 1.78(a)(2)(ii). In addition, the petition under 37 CFR 1.78(a)(3) must be accompanied by:

- (1) the reference required by 35 U.S.C. § 120 and 37 CFR 1.78(a)(2)(i) of the prior-filed application, unless previously submitted;<sup>1</sup>
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date the claim was filed was unintentional. The Commissioner may

<sup>1</sup>Any nonprovisional application or international application designated the United States of America claiming the benefit of one or more prior-filed copending applications or international applications designated the United States of America must contain or be amended to contain a reference (amendment to the first line of the specification following the title or in an application data sheet (ADS)) to each such prior-filed application, identifying it by application number (consisting of the series code and serial number) or international application number and indicating the relationship of the applications. Cross references to other related applications may be made when appropriate (see § 1.14).

require additional information where there is a question whether the delay was unintentional.

The instant pending application was filed on 21 February, 2002, and was pending at the time of filing of the instant petition. A reference to the prior-filed nonprovisional application has been included in an amendment to the first sentence of the specification following the title, as required by 37 CFR 1.78(a)(2)(iii).

The instant nonprovisional application was filed after 29 November, 2000, and the claim herein for the benefit of priority to the prior-filed nonprovisional application is submitted after expiration of the period specified in 37 CFR 1.78(a)(2)(ii). Also, the reference to the prior-filed nonprovisional application was submitted during the pendency of the instant nonprovisional application, for which the claim for benefit of priority is sought.<sup>2</sup> Accordingly, having found that the instant petition for acceptance of an unintentionally delayed claim for the benefit of priority under 35 U.S.C. § 120 to the prior-filed nonprovisional application satisfies the conditions of 37 CFR 1.78(a)(3), the petition is granted.

The granting of the petition to accept the delayed benefit claim to the prior-filed application under 37 CFR 1.78(a)(3) should not be construed as meaning that the instant application is entitled to the benefit of the prior-filed application. In order for the instant application to be entitled to the benefit of the prior-filed application, all other requirements under 35 U.S.C. §§ 120 and 37 CFR 1.78(a)(1) and (a)(2) must be met. Similarly, the fact that the corrected Filing Receipt accompanying this decision on petition includes the prior-filed application should not be construed as meaning that applicant is entitled to the claim for benefit of priority to the prior-filed application noted thereon. Accordingly, the examiner will, in due course, consider this benefit claim and determine whether the instant application is entitled to the benefit of the earlier filing date.

A corrected Filing Receipt, which includes the priority claim to the prior-filed nonprovisional application, accompanies this decision on petition.

Any inquiries concerning this decision may be directed to Senior Petitions Attorney Douglas I. Wood at 703-308-6918.

<sup>2</sup>See 35 U.S.C. § 120.

The application is being forwarded to Technology Center Art Unit 3753 for appropriate action on the RCE and amendment filed on 8 March, 2004, including consideration by the examiner of applicant's entitlement to claim benefit of priority under 35 U.S.C. § 120 to the prior-filed nonprovisional application.
